

Whereas, as a result of increasing airline baggage fees charged by airlines for checked luggage, passengers are encouraged to increase the contents of carry-on luggage to avoid the extra cost of baggage fees; and

Whereas, increased carry-on luggage of boarding airline passengers may be correlated to the claims of lost, damaged, or delayed passenger luggage, because passengers are oftentimes asked to check carry-on luggage at the boarding gate, which may require passengers to wait for such luggage after deboarding an aircraft, or luggage and contents may become damaged during the process of fitting carry-on luggage onto boarded aircrafts; and

Whereas, although checked luggage may be lost, damaged, or delayed for a variety of reasons, baggage handling systems, airline negligence, and the act of luggage offloading to accommodate extra fuel have also been discussed as reasons for lost, damaged, or delayed passenger luggage; and

Whereas, the aforementioned concerns of airline passengers are issues of consumer protection for which the United States Congress has the constitutional power to address and determine fair and reasonable solutions through codified law or regulatory rule-making: Now, therefore, be it

*Resolved*, That the Legislature of Louisiana does hereby memorialize the United States Congress to take such actions as are necessary to regulate airline baggage fees and processes for consumers as it relates to transportation of passenger luggage and passenger delays resulting from lost, damaged, or delayed luggage; and be it further

*Resolved*, That a copy of this Resolution be transmitted to the presiding officers of the Senate and the House of Representatives of the Congress of the United States of America and to each member of the Louisiana congressional delegation.

A concurrent resolution adopted by the Legislature of the State of Louisiana memorializing the United States Congress to take such actions as are necessary to amend the employer shared responsibility provisions regarding employee health coverage under Section 4980H of the Internal Revenue Code, as enacted by the Patient Protection and Affordable Care Act, to eliminate penalties on school districts; to the Committee on Finance.

#### HOUSE CONCURRENT RESOLUTION No. 87

Whereas, a highly contentious aspect of the Patient Protection and Affordable Care Act (Public Law 111-148), referred to hereafter as "the ACA", is its imposition of financial penalties on employers known as "employer shared responsibility"; and

Whereas, the employer shared responsibility penalty applies to certain businesses with fifty or more full-time employees that either do not offer insurance or offer coverage which does not meet minimum standards set forth in the ACA; and

Whereas, after nearly four years of delays and regulatory uncertainty regarding application of the employer shared responsibility penalty following enactment of the ACA in March of 2010, the Internal Revenue Service, in its final regulations on the penalty issued in February of 2014 (79 Fed. Reg. 8544 (February 22, 2014)), provided that there is no exclusion from the penalty for government entities; and

Whereas, for purposes of the penalty, a "full-time employee" is now defined as any employee working an average of more than thirty hours per week or one hundred thirty hours per month; and

Whereas, because many part-time and temporary school personnel count as "full-time employees" under the ACA, the school dis-

tricts of this state now face crippling financial penalties, typically in the amount of two thousand dollars per employee who lacks health coverage, for not providing health coverage to personnel who traditionally have not been considered full-time employees: Now, therefore, be it

*Resolved*, That the Legislature of Louisiana does hereby memorialize the United States Congress to take such actions as are necessary to amend the employer shared responsibility provisions regarding employee health coverage under Section 4980H of the Internal Revenue Code, as enacted by the Patient Protection and Affordable Care Act, to eliminate penalties on school districts; and be it further

*Resolved*, That a copy of this Resolution be transmitted to the presiding officers of the Senate and the House of Representatives of the Congress of the United States of America and to each member of the Louisiana congressional delegation.
